IMPACT REPORT

2019

Wartburg

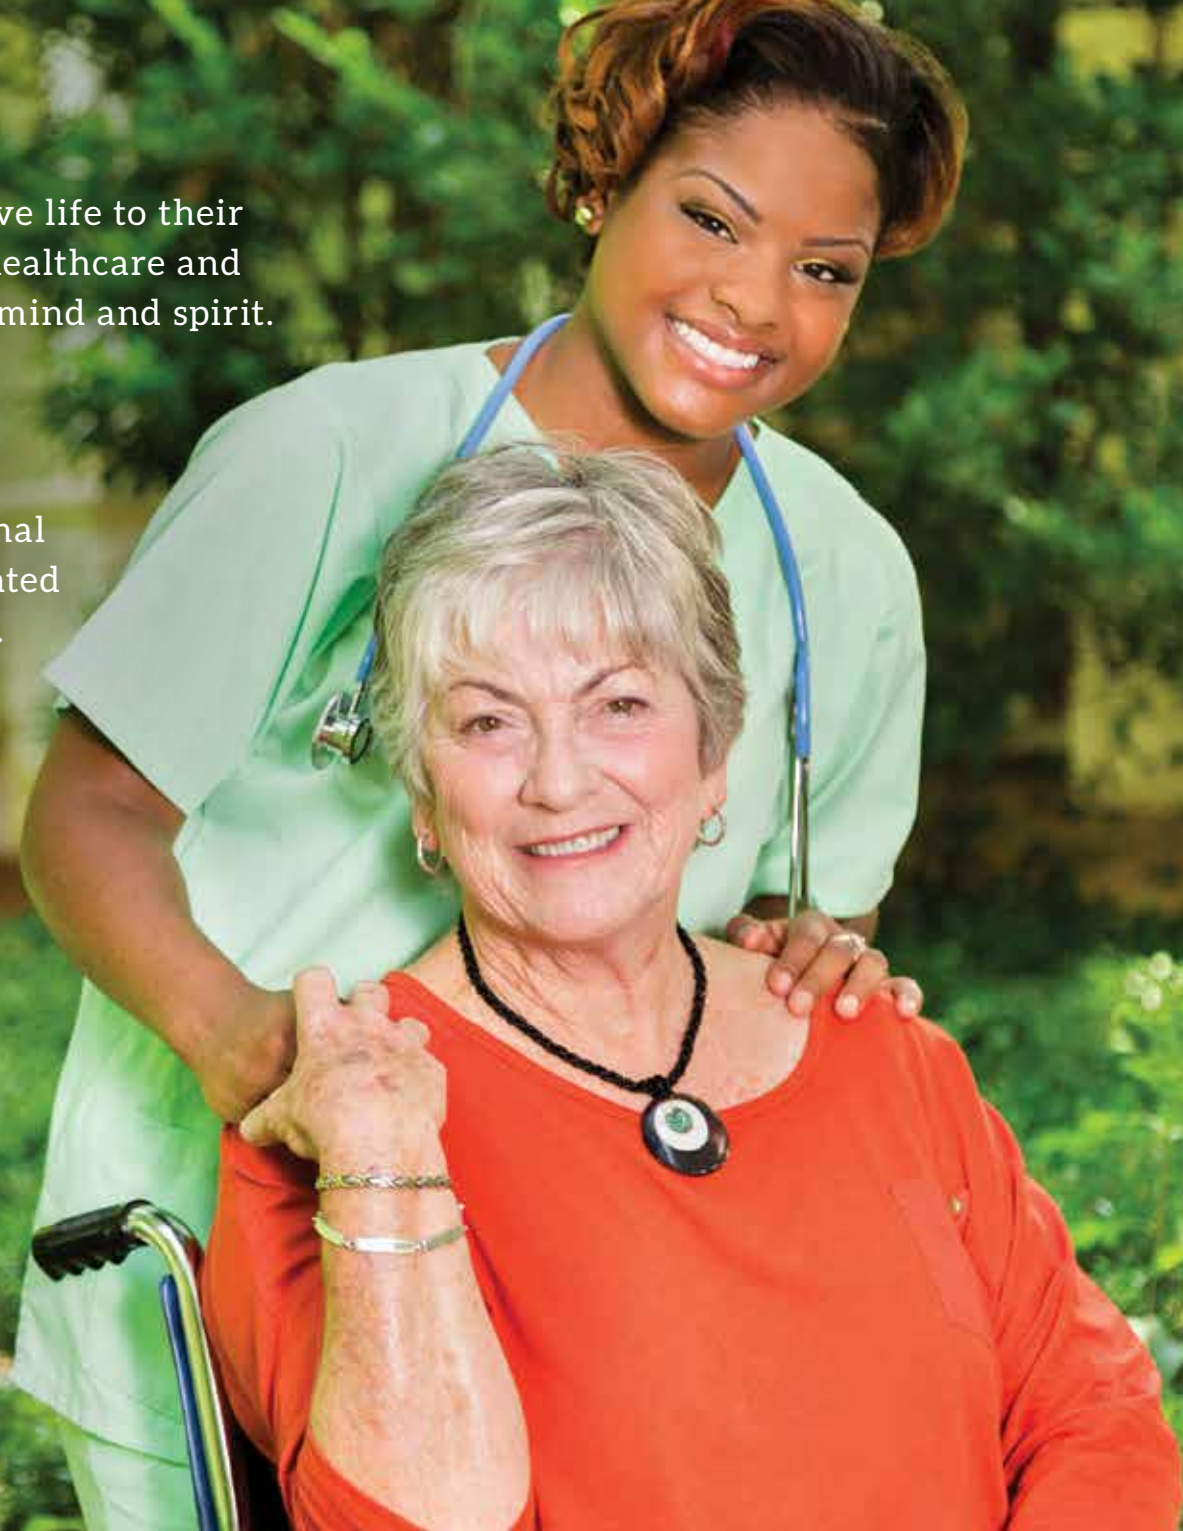

MISSION

Wartburg enables seniors to live life to their fullest through excellence in healthcare and housing, which nurture body, mind and spirit.

VISION

Wartburg will become a national model for excellence in integrated senior healthcare and housing.

Wartburg is a Recognized Service Organization (RSO) affiliated with the Evangelical Lutheran Church in America (ELCA) and recognized by the Lutheran Church – Missouri Synod (LCMS).

IMPACT TO COMMUNITY REPORT 2019

Dear Wartburg Family,

I am pleased to present you with Wartburg's 2019 Impact to Community report which celebrates our accomplishments and highlights our plans to meet the growing needs of the oldest members of our

community. Throughout this report, you will see Wartburg's steadfast commitment to providing premier healthcare services and residential options to our aging population.

Enabling seniors to live life to the fullest is at the core of Wartburg's mission; this is perhaps most apparent through our Creative Aging & Lifelong Learning initiative. This arts-based program offers a robust curriculum including a variety of art mediums, dance and music therapy and, with the addition of our new Creative Arts Therapist, we are expanding our offerings to include new programs with therapeutic design.

We are so very thankful for the vital role our volunteers play in helping us advance our vision to become the national model for excellence in integrated senior healthcare and

housing. Our volunteers include nursing students, creative arts therapists, elementary, high school and college students, church groups and a myriad of others who dedicate their time and talents to bring joy to those we care for.

Wartburg is family. We believe it is through the dedication of our diverse and caring staff and volunteers that Wartburg is considered a standard of excellence. I am proud to work with such passionate and committed individuals, each one bringing a unique perspective on providing a thriving, healthy environment to live and work.

Thank you for being a part of our growing family. Your ongoing partnership will ensure Wartburg is positioned to serve this community for generations to come.

In Service Together,

David J. Gentner, Ed.D.
President & CEO

CREATIVE AGING

We provided 1,581 hours of creative arts programming across our campus in 2019.

Wartburg's Council for Creative Aging & Lifelong Learning promotes increased emotional health, social engagement and lifelong learning for older adults through a wide range of arts-based programs led by **creative arts therapists, professional teaching artists and artists in training** who are skilled in developing the creative capacity of older adult learners.

This program offers a broad variety of artistic disciplines including art, dance and music therapy, choral arts, creative writing, painting, quilting, technology, African drumming, ceramics and oral history. Our seniors are afforded opportunities to learn new skills, share lifetime experiences, build self-esteem and remain creatively challenged in later years.

residents, nursing and more.

VOLUNTEERS & SPIRITUAL CARE

A cornerstone of Wartburg's mission is its commitment to being a welcoming community offering ecumenical services for people of all faiths. Built on an unwavering belief in caring for the whole person, Wartburg offers Spiritual Care Visitor Training, enabling volunteers to provide basic pastoral care skills including faith sharing, discernment, communication, clinical visits, aging and illness issues, interactive exercises and grief counseling.

Working collaboratively with our spiritual care partners, Wartburg is a satellite Clinical Pastoral Education site offering theology students the opportunity for interfaith professional education for ministry to our residents and patients. Across the United States, Wartburg is a Recognized Service Organization affiliated with the Evangelical Lutheran Church in America and recognized by the Lutheran Church – Missouri Synod.

Spiritual Care Visitor graduates

AWARDS & RECOGNITION

CREATING A CLEAN ENVIRONMENT TO LIVE & WORK

In 2019, Wartburg received certification as a Green Business through Green Business Partnership, making it the first long-term care facility in Westchester County to receive this distinction.

Wartburg was presented with the Westchester County Eco Awards. The first in Westchester County, the awards provide an opportunity to recognize those individuals and institutions who contribute to making Westchester a great place to live, work and visit by improving and caring for its local environment and its sustainability.

TOP RATED

NURSING HOME BY U.S. NEWS & WORLD REPORT

Voted one of the
"Best Nursing
Homes in New
York" for the ninth
consecutive year in
2019, by *U.S. News
& World Report*.

OPERA GREAT AND MULTI-GRAMMY WINNER RENÉE FLEMING VISITS WARTBURG

During her visit, Ms. Fleming, an advocate for the benefits of music therapy and brain health, learned about Wartburg's innovative programs that are using music to improve mobility, neurologic function and speech impairments.

WARTBURG'S DR. DAVID J. GENTNER RECEIVES THE COMMUNITY VISIONARY AWARD FROM THE YOUTH SHELTER OF WESTCHESTER

Dr. Gentner's award was given in appreciation for his efforts to provide quality care for the oldest members of the community and Wartburg's partnership with the Youth Shelter.

WESTCHESTER COUNTY CHAPTER OF THE LINKS PRESENTS COMMUNITY PARTNER AWARD TO WARTBURG

Wartburg was honored for being a community partner that has supported and assisted The Links in providing information, resources and opportunities to Westchester County's underserved populations.

EVENTS

MUSIC UNDER THE STARS – FALL 2018 AND 2019

WHEELCHAIRS GENEROUSLY DONATED BY KNIGHTS OF COLUMBUS

ALZHEIMER'S WALK – FALL 2018 AND 2019

CREATIVE AGING

Wartburg dedicated a beautiful mosaic bench their nursing home residents helped create, in partnership with The Westchester County Chapter of the Links, Inc. and the Clay Art Center.

WARTBURG CARES! – WINTER 2018

Wartburg employees donated hats, gloves and scarves to children in Mount Vernon, NY, facing housing insecurity.

BIKE DAY – SUMMER 2019

JAZZ IN JUNE – SPRING 2018 AND 2019

- Institute for Music and Neurologic Function

MEMORY CARE

32% OF PEOPLE AGE
85 OR OLDER
HAVE ALZHEIMER'S.

400,000

NEW YORKERS CURRENTLY SUFFER
FROM ALZHEIMER'S DISEASE.

BY 2025, THAT NUMBER WILL
INCREASE BY 15% TO

460,000

In response, Wartburg is engaged
in a multiphase Memory Care
expansion on its 34-acre campus.

PHASE 1 includes expanding Meadowview Assisted Living's common space, such as the dining and lounge areas on the first floor of Wartburg's existing Memory Care neighborhood. The expansion will more than double the number of residents in our Memory Care wings.

PHASE 2 includes the construction of an additional Memory Care building on the southwest corner of the campus, providing additional family-style housing in a safe, stimulating environment for those living with Alzheimer's disease or dementia.

Rounding out the plans for Wartburg's campus transformation is a modernization of its Skilled Nursing Facility to include family-style dining, upgraded technology and enhanced patient monitoring.

CAMPUS
EXPANSION,
ADDITIONS &
MODERNIZATION

THE NEED:

The current lack of affordable senior housing in Westchester County is alarming. With an exponential increase in the 65-plus population expected over the next two decades, housing insecurity will be among the most critical challenges facing seniors and their families – and will continue to grow.

THE SOLUTION:

Wartburg offers a range of independent living options in a vibrant, welcoming community. In addition to Lohman Village's 31 step-free townhomes and the 61 supportive senior apartments that make up the Friedrichs Residence, **Wartburg is planning an independent living expansion that will offer active seniors 195 well-appointed units boasting over 14,000 square feet of amenity space.**

Community Partnerships & Alliances

CARING FOR THE COMMUNITY

NURSING

THE NEED:

The United States is expected to see a significant decline in the number of qualified nursing and specialized health technicians.

THE SOLUTION:

Workforce Development and Operation Support

As part of the **2025 Vision Campaign**, Wartburg is pursuing an academic partnership with a college/university to establish an Allied Health Science Center to help build a pipeline of skilled and highly qualified nurses and other frontline clinical staff that will not only benefit Wartburg and the communities it serves but also New York state and beyond.

The Center will offer a range of programs and degrees in nursing, radiology, physical/occupational therapy, social work/counseling and music/art therapy, becoming a robust campus for clinical internships and job opportunities as an employer of choice. Today, Wartburg partners with over 20 colleges, universities and nursing schools, providing on-site training for over 100 students annually.

We have 155 nursing students who volunteered a total of 13,871 hours in 2019.

ADVANCED SIMULATION LAB (ASL)

Wartburg recently created an Advanced Simulation Lab that uses state-of-the-art technology to provide ongoing training to its nursing staff. This ensures its nurses are equipped to handle complex medical issues that often arise unexpectedly and have the depth of experience to effectively partner with hospitals and physicians, on and off site.

Institute for Music and Neurologic Function

The Institute for Music and Neurologic Function, now at Wartburg, is a groundbreaking, internationally recognized research, education and training program that uses music therapy to assist the “awakening and healing” of individuals with neurological conditions including stroke, trauma, dementia, Alzheimer’s and Parkinson’s disease.

WESTCHESTER END-OF-LIFE COALITION (WELC) NOW AT WARTBURG

This year, Wartburg and the Westchester End-of-Life Coalition, an organization committed to improving the end-of-life experience for patients and families, proudly announced the official transfer of WELC’s programs, activities and materials to Wartburg.

WELC’s trademarked programs include “Can We Talk?”, which provides information and tools to facilitate conversations among family members and physicians about healthcare wishes, with a focus on values and life goals.

Wartburg’s first priority within the WELC initiative is to host resident, family and staff training with the goal of increasing the numbers of people with advance care directives within Wartburg’s portfolio.

HOME CARE, ADULT DAY CARE & REHAB

SINCE MARCH

people with
"Can We Talk?"

HOME CARE

Wartburg provides an integrated, comprehensive spectrum of both at-home medical and companion care services. We offer seniors, people with disabilities and those recovering from an illness, accident or injury the high-quality services and support they need to live safely in their homes while offering their loved ones much-needed peace of mind.

ADULT DAY CARE

Wartburg's Adult Day Care program provides a safe, stimulating environment for seniors, with special support for those with Alzheimer's or dementia – and a much-needed break for the caregivers who love them.

Wartburg is proud to be the recipient of a \$50,000 grant from the Field Hall Foundation to provide financial assistance towards the cost of attendance and transportation for Wartburg's Adult Day Care program.

Through Wartburg's Caregiver Assistance for Respite Expenses [CARE] "scholarship program," Wartburg will provide access to their Adult Day Care program and all its benefits to seniors and their caregivers with financial need. CARE aligns with Wartburg's mission of helping those with the greatest need continue to live independently and with dignity.

REHABILITATION

Wartburg's state-of-the-art Rehabilitation Center, with all private bedrooms and bath, provides comprehensive patient-focused rehabilitative care focused on maximizing the independence of every patient. And with lower rehospitalization rates and shorter lengths of stay than national and regional averages, nearly 1,300 patients cared for in 2018 can attest that Wartburg gets you home – and back to your life – faster and healthier.

And for those who are convalescing at home after injury or illness, Wartburg's Outpatient Rehabilitation Center offers the same innovative rehabilitative therapies to ensure everyone we care for lives their fullest life.

DEVELOPMENTALLY DISABLED

Wartburg's Adult Day Care Center welcomes the "Circle of Friends," providing a caring and safe environment for the developmentally disabled.

PASSAVANT SOCIETY

Established in 1992

A planned gift to Wartburg creates a legacy and ensures the mission will provide for those cared for in this generation and the next. Gifts from members of the Passavant Society are critical to sustaining Wartburg's vital programs and services. In addition, members have played an integral part in building Wartburg's endowment, which is necessary for financial stability as well as for special projects that strengthen its mission.

Please contact Angela Ciminello, Vice President of Development and Marketing, at 914-513-5179 or aciminello@wartburg.org to discuss how rewarding it is to become a member of the Passavant Society.

Thank You to Our Passavant Society Members
