ANNUAL REPORT 2020

Dear Wartburg Family,

I'm pleased to present you with Wartburg's 2020 annual report: COVID-19 edition. This past year was challenging, but with the enormous and selfless help of our staff, community partners, and friends,

we've managed to weather the storm and enter a new year with renewed hope and a triumphant spirit.

An integral part of our mission at Wartburg is to help seniors live their lives to the fullest. Despite COVID limitations, we were still able to put on programs and events to enhance the lives of our residents, such as virtual and window visits with residents and their loved ones, outdoor entertainment with live music, visits from the local ice cream truck, daily prayers on the meadow with our resident chaplain, outdoor parades for Mother's Day and Christmas, and a weekend ceremony to celebrate our healthcare heroes.

In this annual report, you will learn of the numerous people who have given themselves and their resources to our institution on behalf of those we serve. Special honor is given to our healthcare heroes who courageously put their lives on the line day in and day out for the well-being of our residents and patients. I am grateful to our community members and community partners who sent in monetary donations as well as personal protective equipment (PPE), food for staff, greeting cards for residents, and words of encouragement.

Your ongoing support has been a tremendous help, and we extend our gratitude and heartfelt thanks to you for your generosity. We look towards the future for brighter days.

In Service Together,

LIVE AT WARTBURG

Located on 34 scenic acres in Mt. Vernon, NY, the Wartburg campus offers a full spectrum of senior living options – from private townhomes rich with amenities to award-winning nursing home care. Our residents enjoy:

Independent Senior Living with a choice of privately leased townhomes or apartments, all with a blanket of security and proximity to healthcare.

Affordable Senior Living through our energy-efficient Friedrichs Residence, which features a fitness room, business center, wireless internet and more.

Assisted Living options, with services that provide a meaningful life of self-reliance that's both stimulating and comfortable, including a specialized memory care neighborhood for those living with Alzheimer's or dementia.

Nursing Home Care voted one of the "Best Nursing Homes in New York" for the ninth consecutive year in 2019 by *U.S. News & World Report*.

Palliative and Hospice Care that offers a compassionate grounding force during difficult times. Our team includes medical specialists, counselors, social workers and full-time chaplains.

Respite Care that provides safe, warm, attentive care for short stays [from 2 to 30 days], so you or a loved one can rest and recharge.

At the heart of Wartburg's mission is an enduring commitment to serving those with the greatest needs. With 85 percent of nursing home residents at or below the poverty line, the healthcare landscape is dynamically changing, including reductions in government reimbursements for care. Due to underpayments in the state's Medicaid reimbursement program, the average nursing home receives 20 percent less than the actual cost of providing care. Thus, in 2020, Wartburg incurred more than \$7,500,000 in uncompensated care.

What is your position at Wartburg?

Occupational Therapist [OT]

Why did you choose to work at Wartburg?

It was 11 years ago, and I had just completed OT fieldwork in a skilled nursing facility (SNF) in which I gained a new perspective on the aging population. I had just completed my master's degree from Sacred Heart University Graduate School and was finally ready to apply my academic knowledge as an occupational therapist. Since having my last fieldwork assignment at a SNF, I developed a passion to work among the geriatric population. Wartburg became my first job and the start of my career.

How does your work make an impact on the population Wartburg serves?

My job as an occupational therapist is extremely rewarding in this population. OTs help patients develop, recover, improve, as well as maintain the skills needed for daily living and working following recovery from an injury.

Words From Recovered Patients

"I can't say enough about how great my experience has been at Wartburg. The Rehab staff catered to me, but was also firm. They encouraged me daily to get up and keep going. Everyone, from top down, was caring and supportive. They deserve recognition for their work."

– Robert Cruger
Rehabilitation Patient

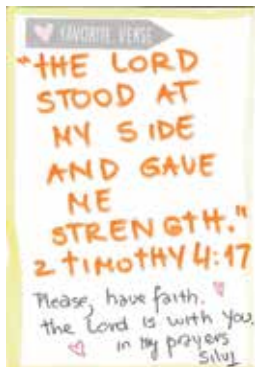

"The staff treats me well, the food is good, I have my own room, and I'm comfortable. The nurses' aides handle me with a smile and treat me with respect. I have nothing negative to say. I've been here for five weeks. In the beginning, I couldn't get up and dress myself. Now I'm able to get out of the wheelchair a lot more. Thanks to Wartburg, I'm ready to take care of myself at home!"

– Barry Goldberg,
Rehabilitation Patient

COMMUNITY PARTNERSHIPS AND ALLIANCES

Spiritual Care

Spiritual Care has been an integral part of Wartburg since our founding in 1865. The mission of our Spiritual Care is to provide spiritual comfort and support to our staff and all those we serve, including residents' families, regardless of religious beliefs or faith tradition.

Our Spiritual Care includes:

- Service of Holy Communion offered Sundays in our historic Wartburg Chapel [The service is telecast to all residents]
- Roman Catholic Holy Communion offered weekly
- Observance of major Christian and Jewish holy days
- Bible studies and support groups
- Assisting residents and their families in making ethical and moral decisions
- Rituals and spiritual care at the end of life
- Funerals and memorial services
- Columbarium in the Wartburg Chapel

We believe that quality of life must include the spiritual dimension and that healing is enhanced by hope and a sense of purpose and meaning. We strive to help people connect to that hope in the midst of crisis and loss.

Memory Care and Campus Expansion

When it comes to memory care, the statistics are staggering:

32% OF PEOPLE AGE 85 OR OLDER HAVE ALZHEIMER'S.

400,000

NEW YORKERS CURRENTLY SUFFER FROM ALZHEIMER'S DISEASE.

BY 2025, THAT NUMBER IS EXPECTED TO INCREASE BY 15% TO

460,000

In response to the rising need, Wartburg is engaged in a multiphase Memory Care expansion on its 34-acre campus.

PHASE 1 includes expanding Meadowview Assisted Living's common space, such as the dining and lounge areas on the first floor of Wartburg's existing Memory Care neighborhood. The expansion will more than double the resident capacity in our Memory Care wing.

PHASE 2 includes the construction of an additional Memory Care building on the southwest corner of the campus, providing additional family-style housing in a safe, stimulating environment for those living with Alzheimer's disease or dementia.

Rounding out the plans for Wartburg's campus transformation is a modernization of its Skilled Nursing Facility to include family-style dining, upgraded technology and enhanced patient monitoring.

CAMPUS EXPANSION, ADDITIONS & MODERNIZATION

THE NEED:

The current lack of affordable senior housing in Westchester County is alarming. With an exponential increase in the 65-plus population expected over the next two decades, housing insecurity will be among the most critical challenges facing seniors and their families – and will continue to grow.

THE SOLUTION:

Wartburg offers a range of independent living options in a vibrant, welcoming community. In addition to Lohman Village's 31 step-free townhomes and the 61 supportive senior apartments that make up the Friedrichs Residence, Wartburg is planning an independent living expansion that will offer active seniors 195 well-appointed units boasting over 14,000 square feet of amenity space.

COMMUNITY INVOLVEMENT

Economic Impact 2020

Wartburg provided a significant economic impact to the region in 2020. The impact measured in dollars is as follows:

\$62.5 MILLION Direct & Indirect Generated Activity	\$17.4 MILLION Goods & Services Purchased	450 EMPLOYEES Employment Impact Jobs Supported
---	---	--

Uncompensated Care

The Skilled Nursing Facility, Licensed Home Care and Adult Day Care programs accept all patients regardless of their ability to pay or payer source. Many of the seniors we serve live at or below the poverty line and are eligible for Medicaid, which through its established rates reimburses Wartburg for providing the care. However, in many cases this reimbursement is below the actual cost incurred. The cost of uncompensated care is as follows:

2020 Uncompensated		
Program	Total Cost	Per Unit
Skilled Nursing	\$(6,250,897)	\$(118.99)
Adult Day Care – Medical	\$(122,446)	\$(32.06)
Licensed Home Care	\$(517,534)	\$(4.39)
Total	\$(6,890,877)	

GIVING

The premier care and innovative programs we are able to provide at Wartburg are due, in part, to the generous contributions of individuals and organizations in our local area. We extend our deepest thanks to all those who have supported us through their financial donations.
